

Slime MADE SIMPLE

STEP 1 Add all ingredients together

- 1/2 cup of Elmers white glue
- 1 teaspoon of cornstarch
- 1 small scoop lotion (scented or not)
- Shaving cream - the more the fluffier!

STEP 2 Add food coloring

STEP 3 Add activator & mix

Activator recipe :
1 cup of warm / hot water to 1
teaspoon borax powder.
Mix with spoon or popsicle stick

**Find borax free recipes in
our Slime Success Guide

Activator – the secret sauce

If the slime is too sticky after a few minutes of mixing, add more activator. If the slime starts ripping and not feeling stretchy then you can add lotion.

Pro Tip

Only when the slime starts sticking to itself and coming off the bowl is it safe to touch with hands. We know it looks fun but **TRUST US!** You will be happy you did.

STEP 4 Add scent & charms – enjoy!
